

THEMED BASKETS - BELIEVE CONFERENCE – April 12-13, 2024

We ask each church participating in the conference to create and bring some sort of THEMED BASKET. These Baskets will help us raise money for our WWAM project this year: helping orphans from war-torn Ukraine return to their homeland.

Some examples of baskets are:

- READING BASKET (Includes books, blanket, pillow, etc.)
- COFFEE BASKET (Includes Coffee maker, cups, coffee, etc.)
- CRAFT BASKET (Includes items from any particular craft)
- GRANDMA'S BASKET (Cozy blanket, stuffed animals, children's books, etc.)
- COOKING BASKET (Pots, pans, utensils, recipes, etc.)
- OLIVE GARDEN RESTAURANT BASKET
- GIFT CARD BASKET
- GARDENING BASKET

Feel free to use your creativity in making an attractive basket that others will want. (Go online to see examples.) You may spend a little or a lot; just use your good judgment. Keep in mind that your objective is to create something that women will want to win.

For each \$1.00 donation, a retreat participant may place their name (printed on a slip of paper) in the container for the particular basket they want to win. One may place several slips for one basket, or they may wish to try and win several baskets. We should be able to raise a lot of money and have fun. Encourage your ladies to bring extra money to make donations.

Please type a list of what your basket contains and display it so that everyone may easily see what is in the basket.

As soon as you decide that your group will do a basket, please contact me at diane@vacog.org and let me know what your basket will be named and what will be in your basket. This way, we can limit duplications.

Thanks for your help in making this the best conference ever!
