

COVID-19 RESPONSE

STEPS TO ENCOURAGE/ MAINTAIN GIVING

PROVIDE ALTERNATE WAYS FOR YOUR CHURCH TO GIVE
WHEN UNABLE TO MEET IN CHURCH

ONLINE GIVING

Establish online giving if not currently available.

Some options:

www.securegive.com

www.easytithes.com

www.givelify.com

MAILING ENVELOPES

Send a letter and stewardship envelopes to all current givers who do not utilize your online giving platform informing them that they can mail their tithe and offering to the church.

SET UP BILLPAY AT BANK

Encourage your givers to utilize their bank's bill-pay functionality to set up the church as a "payee."

The bank can help them setup autopay and then the bank mails the checks to the church.

Contact the State Office, if we can assist in any way with putting these options to work for your church.

During these unique times, we must find creative ways to minister.
