

## Frequently Asked Questions

# THE VIRGINIAN

## HOW TO NAVIGATE

As you click each icon for the individual pages, read through that page; and on the bottom right you will see a “link” for the next page of the magazine. On the bottom left, you will see a “link” to the previous page.

## HOW DO I READ STATS

When you open a linked table (like ‘New Members’ or the church stats pages), the data will open in a “new tab” for viewing. When done with that table you can still get back to the sequence by going to the previous tab on your browser.

## STILL WANT TO PRINT?

We still provide an option to print the content. Click to our “printer-friendly” PDF using this link:

The most recent copy available will always be at the top of that list for download.
